SCM : Git,GitLab  
IDE'S : Eclipse,Spring ToolSuite.  
Operating System : Windows11,Windows10.  
Web Server Administration: Tomcat.  
Version Control : Git,GitHub,

### ACADEMIC PROJECT:

**Title: A Light Weight Secure Data Sharing Scheme For Mobile Cloud Computing**

**Description:** With the popularity of cloud computing, mobile devices can store personal data from anywhere at any time. Consequently, the data security problem in mobile cloud become more and more severe And prevents further development of mobile cloud with the development of cloud computing and the popularity of smart mobile devices, people are gradually getting accustomed to a new of data sharing model in which the data is stored on the cloud and the mobile devices are used to store/retrieve the data from the cloud.

Typically, mobile devices only have limited storage space and computing power. On the contrary, the cloud has enormous amount of resources

**Project2:**

**Title:Employee Management System**

**Description:**

Employees are the backbone of any company therefore their management plays a major role in deciding the success of an organization. Employees Management Software makes it easy for the employer to keep track of all records. This software allows the Administrator to edit employees. We can check to see if there are duplicate positions employees in the database. This system brings about an easy way of maintaining the details of employees working in any organization. It is fast and can perform many operations for a company. The goal of this project is to design and develop an employee management system to fill existing gaps in the electronic management of employees.

**Extra –Curricular Activities:**

- Participated in paper presentation
- Participated in technical projects
- Participated and organized many cultural and technical events at school & college levels

**Personal Skills:**

- Determined to learn with practical approach
- Good communication skills
- Ability to work hard to establish quality
- Highly determined and ability to take initiative when the task

**Declaration :**

I hereby declare that all the information furnished above is true to the best of my knowledge.
